## Exhibition & Sponsorship

### [Sponsors page main image.jpg](#) [1]

Holyrood's Future of Data Protection Conference provides an ideal opportunity to continue to build a clear strategic understanding of their data protection responsibilities, 5 months on from the May GDPR deadline.

At our 2017 events, we welcomed over 300 attendees over two days, giving suppliers the ideal opportunity to showcase their innovative and industry-leading solutions to a key public sector audience, including:

- Data Manager
- Head of Data Protection
- Corporate Services Director
- Director of Operations
- Director of IT
- FOI Manager
- GDPR Project Manager
- Head of Information Governance

- Information Compliance Officer
- Legal Manager
- Records Manager

## **Exhibition**

Exhibiting at this event offers an unmissable opportunity to showcase your organisation, services/offerings and meet with existing and potential key client contacts.

Investing in an exhibition package will allow your organisation to engage with those at the forefront of the new GDPR guidelines.

## **Themed Panel Sessions**

An opportunity for delegates to focus on their specialist areas.

Our themed panel session and interactive workshops give delegates a chance to break into smaller groups to discuss common challenges and shared objectives with a view to creating a strategic plan to overcome these barriers.

## **Sponsor Packages**

There are opportunities for key partners to benefit from a variety of engagement and branding opportunities throughout the conference. These packages can be tailored to clients specific requirements and to discuss opportunities further, please contact Morna-Anne Balfour on 0131 285 1694 or at [morna-anne.balfour@dodsgroup.com](mailto:morna-anne.balfour@dodsgroup.com) [2].

## **Many thanks to our 2017 sponsors**
