## Davidson Chalmers Stewart LLP

Davidson Chalmers Stewart is an independent, commercial law firm, recognised for providing clear, practical and commercial advice to a diverse range of clients across Scotland and beyond. The firm is well known for its unwavering commitment to client service with expert legal teams focused on finding pragmatic solutions to help clients achieve their objectives. The firm's specialist Information Law team provides advice to private and public sector organisations on contentious and non-contentious data protection, freedom of information and cyber security. Led by Partner Laura Irvine, data protection and cyber security specialist, the work undertaken by the team includes supporting organisations with GDPR implementation; assisting clients to deal with data breaches; advising on Data Subject Rights; providing specialist advice on complex information law issues.
